

Thank you for the opportunity to serve as your ND ARGC. It is wonderful to learn more about the inner functioning of APHA.

During the virtual New Leader Orientation in July, the APHA provided a "Leader's Guide" that included the ARGC responsibilities, which I provided to the NDPHA Governing Council.

As part of my responsibilities, I completed the below.

1. Forwarding of information as requested from APHA to NDPHA President and Secretary;
2. Assisting in completing
 - a. the Affiliate Annual Report Survey in August 2021
 - b. the APHA 150th Anniversary Survey
 - c. the Advocacy and Policy Survey Report
3. Attending Region VIII ARGC's virtual meetings

I was able to represent ND in person at the 2021 APHA Conference in October completing the below items.

1. Creation of a video clip on behalf of NDPHA welcoming attendees at the conference. This was shown during APHA's opening session.
2. Attending the APHA Governing Council meeting and voted on behalf of ND for APHA officers, policy statements, and other.

I will be attending the virtual APHA Mid-year meeting in June 13 2022.
