

2019 NDPHA AWARDS NOMINATIONS

Call for Nominations:

If you know someone you would like to recognize for their excellence, outstanding service, innovation, or dedication to public health in North Dakota, please nominate them for one of the following NDPHA awards:

- **Public Health Worker of the Year:** honors a current member of NDPHA for outstanding public health contributions or achievements in the past year.
- **Public Health Team of the Year:** honors a team that worked collaboratively on a unique, creative or outstanding public health effort, program or goal in the past year.
- **Outstanding Service Award:** honors an individual (lay or professional) for outstanding work or achievement over their lifetime in the field of public health.
